DETAILED ACTION

Claims

Claims 1-3, 6, 8, 11, 14, 17, 18, 21, and 23 are amended. Claims 5 and 20 are canceled by Applicant.

Allowable Subject Matter

Claims 1-4, 6-19, and 21-26 are allowed.

The following is an examiner's statement of reasons for allowance:

As to independent claims 1 and 6, relevant prior art of record did not disclose, alone or in combination, the liquid crystal display of horizontal electric field applying type as claimed comprising a plurality of signal supplying lines for supplying a driving signal to the driving integrated circuit and a connector to which a conductive film for supplying a driving signal to the signal supplying line is attached.

The closest prior art is applicant's admitted prior art (AAPA) in view of Muramatsu, USPAT 6,151,091. However, no prior art with proper motivation to combine was found to teach the above limitations.

As to claims 2-4 and 7-16, they are directly or indirectly dependent upon claim 6 with allowable subject matter above.

As to independent claims 17 and 21, relevant prior art of record did not disclose, alone or in combination, the method of making a liquid crystal display of horizontal electric field applying type as claimed comprising forming a plurality of signal supplying lines for supplying a driving signal to the driving integrated circuit and attaching a connector to the signal supplying lines with a conductive film to supply a driving signal to the signal supplying lines.

The closest prior art is applicant's admitted prior art (AAPA) in view of Muramatsu, USPAT 6,151,091. However, no prior art with proper motivation to combine was found to teach the above limitations.

As to claims 18-19 and 22-26, they are directly or indirectly dependent upon claim 21 with allowable subject matter above.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
